Passionate about family law, Tricia serves the community through outreach and involvement. Inspired by a former client's son's struggles with Cystic Fibrosis and a passion to find a cure, Tricia participates in Xtreme hikes to raise money for the Gateway Chapter of CF. She hiked more than 30 miles in one day in the Ozark Mountain Range in the Fall of 2015. With the money raised, she is hoping those who cannot walk now will have a chance to reach those heights in the future.
